Re: 10th Annual Fairfax Car Show, Sunday September 9, 2012

Dear Town Council:

First of all we would like to thank you for your help and cooperation with the success of our previous shows. We look forward to working with you this year as we lead into our tenth event. The date we are requesting is Sunday, September 9th. Our proposal for the desired area, which has received approval for the last nine years, would again include the Parkade (6:00am to 4:30pm) and Broadway, from Pacheco to Bolinas (8:00am to 4:30pm), with access to the Fairfax Theater parking lot, and using both sides of the street. We are thankful for the support of Police Chief Christopher Morin and understand that closure of the block is inconvenient for some. Therefore, we will do our best to minimize the time it will be closed. We will also be sure to inform all participants to park their vehicles in the pavilion and ball park lot and not on nearby residential streets.

By securing the permission of the Town Council early, we have a good early start on promoting this year's event. Consistent with past events, our goal is to have fun while raising as much money as we can. We will again, through the help of our local businesses and sponsors, be providing recorded music with a DJ, selling popcorn and drinks, giving out goody bags that include gifts and coupons, and raffling off donated gifts. No alcohol will be served or permitted in or around the area.

This year again, our main sponsor will be the Rotary Club of Ross Valley. They were eager to share in our efforts to have this event in order to raise funds for local programs. Programs for the children of our town will again be at the top of the list. Car show goesers love to see the money go to good causes and a major share of our sponsorships come directly from many businesses, inside and outside of Fairfax. Therefore, we feel it is only fair that we give some back. These sponsors also spend a good deal of money when they come to town, which helps to support our local businesses.

Finally, we would like to thank you for your cooperation and consideration with this endeavor and will assure you that because of our commitment and experience, we are certain this will be our best and most successful show to date.

We look forward to seeing you all there.

Sincerely,

Phil Soldavini
