

TOWN OF FAIRFAX

STAFF REPORT

TO: Mayor, Members of the Town Council **DATE:** July 11, 2012
FROM: Mark Lockaby, Building Official
SUBJECT: Status report on abatements at 6 San Gabriel and 39 Wood Lane

6 San Gabriel

Mr. McDonald has complied with all of the conditions set by the council at the abatement hearing. He has added a light mesh fence that exceeds the Town's four foot height limit. I have not had a chance to advise him that the fence needs to be lowered.

39 Wood Lane

Mr. Hansbery has removed a lot of the material that was required to be removed including a dumpster full of dirt and a large pile of concrete rubble. Most of the other items have been placed behind the storage container, or the front wall. I spoke with Mr. Hansbery and he agreed to remove all of the other items from the site, but as of 7-5-2012 there is no change. Mr. Hansbery has submitted plans for the slide repair that I can issue at any time but he has asked to make some changes, and as of 7-6-2012 no new plans have been submitted.
