

TOWN OF FAIRFAX

STAFF REPORT

TO: Mayor, Members of the Town Council **DATE:** October 3, 2012

FROM: Judy Anderson, Town Clerk/Interim Town Manager

SUBJECT: Approval of the waiver of fees for the use of the Women's Club on Thursday, October 25th for the showing of the film "Genetic Roulette" about the dangers of GMO's

Recommendation

Approve the waiver of fees for the use of the Women's Club on Thursday, October 25th for the showing of the film "Genetic Roulette" about the dangers of GMO's.

Discussion

Valeri Hood has requested this waiver of fees for the use of the Women's Club in order to educate the public about the dangers of Genetically Modified foods by showing Jeffrey Smith's new film, "Genetic Roulette." She already received permission from the Council to offer a series of educational films to the public at the Women's Club. This is the latest film in the series.

Fiscal Impact

The Women's Club is available on the 25th, so we are not losing building rental income for this event. The cost of the rental would have been \$300 at the local non-profit rate.
