Proposal for Installing Recycling Systems in the
Women's Center, Town Hall & Pavilion

Sustainable Fairfax - Zero Waste 2020

Fairfax is a town with an abundance of community events and gatherings. We are fortunate to utilize community facilities like the Women’s Center, Town Hall and Pavilion. There are over thousands of people that pass through these doors resulting in a tremendous amount of recyclable materials that can be captured in recycling systems. Installing recycling systems in all three facilities would enable us to divert valuable resources from the landfill and help achieve our mandate of Zero Waste by 2020.

We are requesting \$2,784 in funding from the Town of Fairfax to purchase and install a total of five recycling systems in the Women’s Center (2), Town Hall (1) and the Pavilion (2). Educational signage will be an important component to the recycling systems.

Bin Description:

Bins will be sourced from the Busch Systems company (<http://www.buschsystems.com/>). The 23-gallon Waste Watcher Series Recycling Containers are the appropriate bins for the Town of Fairfax public facilities. <http://www.buschsystems.com/product/waste-watcher-series-recycling-bins.php>

Capacity: 20 Gallon

Dimensions: 20”L x 11”W x 30”H

Additional Features

1. Three sizes of containers available
2. Multiple lid styles and colors at no additional cost
3. Lids fit other ‘slim style’ containers
4. Easy grip handles

Optional Connector Kits & Wheel Dollies

1. Secure multiple containers to create a sturdy recycling station
2. Wheel dollies offer convenient transport and ease-of-use

Optional Sign Frames

1. Sign frames fit either side or on the end of the bin
2. Attractive informational signage available

Internal Bag Hooks & ‘Perfect-Fit’ Bags

1. Internal hooks keep bag hidden to ensure a tidy look
2. Bags are biodegradable and 18% smaller than standard, which saves money and natural resources

Project Budget:

Item	Quantity	Cost
Recycling Bins	5 (\$349 each)	\$1,745
Interchangeable lids	5 (\$50 each)	\$250
Signage	5 (\$30 each)	\$150
Tax & Shipping costs		\$639
Total		\$2,784

Waste Watcher

23 Gallon | 30" H

Design Your Own Recycling Station

The most versatile, customizable recycling containers on the market. These bins will take your recycling & waste collection system from good to great!

Ideal for office & school collection, the Waste Watcher containers are designed with a variety of lid and signage options – this allows for a clean sort and the ability to easily expand your recycling program.
