

TOWN OF FAIRFAX STAFF REPORT

TO: Mayor and Town Council
FROM: Garrett Toy, Town Manager ^{GT}
DATE: June 5, 2013
SUBJECT: Approve removal of a tree for the reconstruction of the restroom at Contratti Field

RECOMMENDATION

Authorize the Town Manager to do everything necessary and appropriate to issue a permit to allow the removal of a tree for the reconstruction of the restroom at Contratti Field.

DISCUSSION

The Little League is taking the lead to reconstruct the restrooms at Contratti Field. The plans indicate that a small Manzanita tree near the restroom project will need to be removed to allow for ADA ramping and the proposed roof line. Staff has not confirmed that the tree needs to be removed as we are waiting to review a final set of plans, but we did not want to delay the project as volunteers are being mobilized for the project. Town Code requires Council approval if a person wants to remove a tree in a public park. While efforts will be made to save the tree, in the event the tree needs to be removed, this approval will allow for that possibility without having to return to the Council for approval.
