

Supplemental Packet
August 7, 2013 Town Council Meeting

The following documents were inadvertently left out of the packet for the August 7, 2013 Town Council Meeting.

- Attachment to Agenda Item 12:
List of Firms Responding to the RFP

- Attachment to Agenda Item 15:
Grand Jury Response to R5 (updated)

List of Firms Responding to the RFP

Biggs Cardosa Associates, Inc.

California Infrastructure Consultancy

Creegan & D'Angelo Engineers

Mark Thomas and Company

Moffat & Nichols

R5: The Grand Jury recommends that Local Jurisdictions holding MSW franchise agreements mandate, through revisions to the agreements, that haulers dispose of all MSW generated in Marin County in Marin County.

Response: The Town of Fairfax has a municipal solid waste (MSW) franchise agreement (Agreement) with the waste hauler, Marin Sanitary Service (MSS). To mandate that our franchised hauler dispose of all MSW in Marin County would have economic, environmental, and legal impacts that would require further evaluation before such a mandate could be considered and implemented. It is currently unclear that the Grand Jury recommendation will be environmentally beneficial due to the competing environmental impacts. It should also be noted that the current Agreement allows the Town the option to request a proposal from MSS to redirect all or part of the compostable component of the waste stream to a facility in Marin County, if one was permitted during the term of the Agreement. Before the Council would consider such an option, the Council would need to evaluate the various economic and environmental impacts caused by this option.
