

**TOWN OF FAIRFAX
STAFF REPORT
October 1, 2014**

TO: Mayor and Town Council
FROM: Garrett Toy, Town Manager *GT*
SUBJECT: Sponsoring temporary closure of Dominga and Napa Avenues following the Halloween parade

RECOMMENDATION

Sponsor temporary closure of Dominga and Napa Avenues following the Halloween parade.

DISCUSSION

For the past few years, the Town has approved the temporary closure of Dominga and Napa Avenues to facilitate the neighborhood gathering after the Annual Halloween Parade to create a safe area for families celebrating the holiday. The request before the Council is not the approval of the road closure, as that only requires administrative approval, but the sponsorship of the request to close the roads. The sponsorship will allow staff to waive any permit fees required for the closure. Staff also allows the neighborhood to use Town a-frame barriers/signs for the street closure.

FISCAL IMPACT

Minimal loss of permit fees
