

# TOWN OF FAIRFAX

## STAFF REPORT

### February 4, 2015

**TO:** Mayor and Town Council

**FROM:** Garrett Toy, Town Manager *GT*

**SUBJECT:** Accept report on the installation of bike racks in the downtown area

---

#### **RECOMMENDATION**

Accept report on the installation of bike racks in the downtown area.

#### **SUMMARY**

At its January meeting, the Council requested an update on the installation of thirty (30) bike racks in the downtown area, purchased in 2013 with a grant from the Bay Area Air Quality Management District (BAAQMD). Attached are a map and list showing the general locations of the racks.

Staff has begun installing the bicycle racks. Depending on the weather, staffing, and other priorities, staff anticipates all the racks will be installed within the next 2-3 months. To save costs, we are installing the racks using in-house staff and resources.
