

**TOWN OF FAIRFAX  
STAFF REPORT  
May 6, 2015**

**TO:** Mayor and Town Council  
**FROM:** Michele Gardner, Town Clerk *MG*  
**SUBJECT:** Appointment of an alternate Town Council representative on the Climate Action Committee

---

**RECOMMENDATION**

Appoint Vice Mayor Goddard as alternate Town Council member to serve on the Climate Action Committee.

**DISCUSSION**

Mayor Coler requested this item be added to the agenda for the Council's consideration. She currently serves as the Council representative on the Climate Action Committee ("CAC"), but unfortunately has had to miss several meetings due to conflicting engagements. In order to maintain a Council presence on the Committee, it would be useful to add an alternate.

Vice Mayor Goddard has expressed an interest in serving as alternate.
