

TOWN OF FAIRFAX

STAFF REPORT

July 13, 2016

TO: Mayor and Town Council

FROM: Garrett Toy, Town Manager 

SUBJECT: Introduction and First Reading by Title Only of an Ordinance Amending Fairfax Town Code Chapter 9.28 ('Social Host Accountability') to Add Controlled Substances

RECOMMENDATION

- 1) Conduct public hearing
- 2) Introduce and waive first reading and read by title only an Ordinance of the Town Council of the Town of Fairfax Amending Fairfax Town Code Chapter 9.28 ('Social Host Accountability') to add controlled substances.

DISCUSSION

In 2007, the Town Council adopted a 'Social Host Ordinance' (Town Code Chapter 9.28) to address community impacts associated with social gatherings where alcoholic beverages are served to or consumed by underage persons and where the gathering became unruly, resulting in a disproportionate expenditure of police resources. The Social Host Ordinance imposes on property owners and other persons responsible for gatherings that allow underage drinking, liability (i.e., citations for the nuisances) created by such gatherings.

The County of Marin and the City of San Rafael recently approved amendments adding "controlled substances" to their social host ordinances in February and April 2016, respectively. The need for the amendment was based on police officers in the field reporting that they have similarly responded to loud parties with large juvenile gatherings, but instead of drinking alcohol, some juveniles were in possession or under the influence of a controlled substance.

Controlled substances are defined as a drug or substance whose possession and use are regulated under the California Uniform Controlled Substances Act (Health & Safety Code Section 11000, *et seq.*). Such term does not include any drug or substance for which the individual found has a valid prescription issued by a licensed medical practitioner authorized to issue such a prescription, or in the case of medical cannabis, a recommendation for medical marijuana from an approved provider, or a State of California medical ID card.

Mayor Goddard had requested this item be placed on the agenda for Council consideration. The Police Chief supports this amendment, which would allow our officers in the field to issue administrative citations for unruly gathering of underage people where they are under the influence or in possession of a controlled substance (e.g., marijuana).

FISCAL IMPACT

Nominal, as the Town has issued 9 citations since 2012; none since May 2015. The first citation is \$750, the second is \$875, and the third is \$1,000.

§ 9.28.010 LEGISLATIVE PURPOSE.

The purposes of this chapter are:

(A) To protect the public health, safety and general welfare;

(B) To promote the reduction of underage drinking and use of controlled substances by imposing administrative fines on persons responsible for loud or unruly gatherings where alcohol or controlled substances are consumed by, served to or in the possession of underage persons; and

(C) To facilitate the enforcement of laws prohibiting the service to, consumption of, or possession of alcoholic beverages and/or controlled substances by underage persons.

(Ord. 725, passed 11-7-2007)

§ 9.28.020 LEGISLATIVE FINDINGS.

The Town Council finds as follows:

(A) The town, pursuant to the powers delegated to it by the California Constitution, has the authority to enact laws that promote the public health, safety and general welfare of its residents;

(B) The occurrence of loud or unruly gatherings on private property where alcoholic beverages and/or controlled substances are served to, consumed by, or in the possession of underage persons is harmful to the underage persons themselves and is a threat to the public health, safety, or quiet enjoyment of residential property and the general welfare;

(C) The town, through the Police Department, has made numerous and substantial efforts to enforce underage drinking and controlled substance laws; yet, despite these efforts, alcohol and controlled substance use by youth remains a serious problem in the town, contributing significantly to the incidence of adolescent crime, addiction, sexual assault, truancy, driving

under the influence of alcohol, and motor vehicle crashes involving alcohol and/or controlled substances and causing injury and/or death;

(D) Underage persons often obtain alcoholic beverages and/or controlled substances at gatherings held at private residences or at rented residential and commercial premises that are under the control of a person who knows or should know of the service to, possession by, and/or consumption of alcohol and/or controlled substances by underage persons. The town wishes to prevent occurrences wherein persons responsible for loud or unruly gatherings on private property over which they have possession or control have failed to ensure that alcoholic beverages and/or controlled substances are not served to, consumed by or possessed by underage persons at these gatherings;

(E) The town further wishes to encourage residents to prevent the occurrence or recurrence of loud or unruly gatherings, including those where alcoholic beverages and/or controlled substances are served to, consumed by or possessed by underage persons, on private property, which seriously disrupt neighboring residents' quiet enjoyment of their property;

(F) Control of loud or unruly gatherings on private property where alcoholic beverages and/or controlled substances are served to, consumed by, or in the possession of underage persons is necessary when such activity is determined to be a threat to the peace, health, safety, or general welfare of the public;

(G) Persons held responsible for abetting or allowing loud or unruly gatherings where alcohol and/or controlled substances ~~is~~ are served to, consumed by, or in the possession of underage persons will be more likely to properly supervise or to stop such conduct at gatherings held on property in their possession or under their control;

(H) Problems associated with loud or unruly gatherings at which alcoholic beverages and/or controlled substances are served to, consumed by, or in the possession of underage persons are difficult to prevent or deter unless the town has the legal authority to issue an administrative citation for an administrative fine;

(I) The intent of this chapter is to protect the public health, safety, quiet enjoyment of residential property, and general welfare, rather than to punish;

(J) California Business and Professions Code § 25658 makes it unlawful for a person under the age of 21 years to purchase or attempt to purchase, or consume alcoholic beverages and makes it unlawful for any person to sell any alcoholic beverage to any person under the age of 21 years;

(K) According to local, state and federal surveys, alcohol is overwhelmingly and consistently the most widely used drug at all adolescent age levels. A child who begins alcohol use prior to age 15 is four times as likely to experience alcohol dependence than one who refrains from alcohol use until age 20 or older; and

(L) California Health and Safety Code §§ 11350 and 11377 make it unlawful for any person to possess enumerated controlled substance without a written prescription, with limited exceptions: and

(M) According to the National Center on Addiction and Substance Abuse, nine out of 10 people with addiction began smoking, drinking or using other drugs before they turned 18; and

~~(N)~~ This Town Council therefore determines that this chapter is a reasonable and necessary means to protect and promote the health, safety, and general welfare of the youth and other residents of the town.

(Ord. 725, passed 11-7-2007)
