Re: Fairfax/Tiburon Tran Collaboration

Dear Alice,

On behalf of the Town of Fairfax I want to express our gratitude to you, the Tiburon Council, and the Town of Tiburon for providing generous financial support to our Town through the recently-approved Tiburon/Fairfax Tax Revenue Anticipation Note. In these extraordinarily challenging economic times, the ability of our Towns to collaborate so successfully on this unique financial project demonstrates once again the creative solutions our communities are able to bring to the challenges of our time. The success of this project is of course due in large measure to our professional staff.

Please extend our thanks to Town Manager Peggy Curran and her staff for their work with our staff here in Fairfax.

Very truly yours,

David Weinsoff
Mayor
