

PERI PARK

Clean Up

SATURDAY, MAY 19

9 am - 12 pm

Come help us freshen up our beloved park by raking the sand, cleaning the structures, pulling weeds, picking up trash, fixing toys and play equipment. We are happy to announce that the Town will provide man power to spread the wood chips and sand. So this clean up will be a lot more fun with less heavy lifting. Our beloved park needs attention to keep it the magical place that we all enjoy -- please join the clean up!

Yummy refreshments will be provided.

Please note: In an effort to make this clean up successful we will be closing the park and only volunteers and their families will be allowed to be in the park while we clean up.
