Re : Marin Alliance for Medicinal Marijuana
6 school Street Plaza Suite 210
Fairfax, Ca 94930

To Linda,

Statewide Insurance Services MMD Insurance Group leads the way in setting underwriting standards for the Medical Cannabis Industry. Lynnette Shaw of Marin Alliance for Medicinal Marijuana has been a valued client and a source of valuable information to industry and our firm. Due to the professionalism and fastidiousness of there better business practices, they have a proven businesses template that has become the standard for the medicinal cannabis industry.

With insurance licenses in states permitting dispensaries, collectives or cooperatives, Statewide Insurance is committed to providing the best quality insurance coverage at extremely competitive rates for commercial operations in the medical cannabis industry.

In an effort to safeguard communities and provide safety protocols for clients in the medical cannabis industry, Statewide Insurance offers the following coverage:

- General Liability (including products completed operations)
- Workers Compensation
- Commercial Building Coverage (landlord)
- Builders Risk
- Business Personal Property
- Employment Practices Liability
- Live Plant Coverage (including Operations)

“Statewide Insurance Services’ Medical Marijuana Specialty Unit, as agent, has reviewed Marin Alliance for Medicinal Marijuana applications with our underwriters for dispensary & delivery service insurance coverage and has received PRE-APPROVAL from our insurers for the coverage’s requested. Please note terms are subject to change as exposures change from those represented. We congratulate Lynnette Shaw for making the commitment to meet the stringent underwriting requirements and Better Business Practices required of our program. We are proud to represent Marin Alliance for Medicinal Marijuana today and in the future for all there insurance needs.”

Thank you
